I've been an owner for just over three months now and I am so happy with the place I found. I attribute a lot of that happiness to a job well done by Team Diva! If you're looking for a new home (anywhere in Seattle, but particularly in Capitol Hill), get in touch with them now!
– John K.

As a first time homeowner, I do not regret any of the decisions I made, especially having Team Diva represent me in buying a home. They coached me throughout the entire process, they made sure I was satisfied and more importantly, made sure I was ready. They have an excellent team!
